Minutes: From June 8, 2016

A PowerPoint summarizing data used in the selection of the healthy eating and active living as a Tri- County priority was presented by Azza Mohammed- Epidemiologist with Tazewell County Health Department.

After the presentation all participants were divided into groups to conduct a Gaps Analysis of this issue. Attached below are tables that have been typed from comments received during the Gap Analysis portion of the meeting.

The meeting concluded with a brainstorm of participants that we would like to see at the table for further meetings.

Next meeting was set for July 8th in Woodford County. Location to be determined.
